Meanwhile, the Alliance will focus on the following in year three:

- Assisting the work of the eleven stakeholder groups as they develop and carry out initiatives that directly impact the Alliance's eight assumptions
- Utilizing data to forge effective goals and objectives
- Formalizing the organizational structures to increase input and add sustainability to the Alliance
- Forging new and deeper partnerships among community groups
- Producing education awareness and training events within the community
- Increasing the resource value of the [www.educatewaco.com](http://www.educatewaco.com) website
